

# Scheme for Continuation of Generation Based Incentive for Grid Interactive Wind Power Projects for 12th Plan Period

## HIGHLIGHTS

<b>Nodal Agency</b>	Ministry of New and Renewable Energy (MNRE), Indian Renewable Energy Development Agency (IREDA)
<b>Applicable Technologies</b>	Wind power
<b>Policy Period</b>	12 <sup>th</sup> Five Year Plan.
<b>Financial outlay under Policy</b>	Estimated at Rs.4500 crore (including liability towards project commissioned during 11 <sup>th</sup> Five Year Plan period.)
<b>Incentive Amount</b>	<ul style="list-style-type: none"><li>• Rs.0.50/unit of electricity fed into the grid for no less than 4 years and a maximum of 10 years with a cap of Rs.100 lakhs/MW.</li><li>• Total disbursement in a year will not exceed Rs.25 lakhs/MW during the first four years.</li></ul>
<b>Eligibility Conditions</b>	<p>Grid interactive projects commissioned on or after 01.04.2012, set up for sale of electricity to grid at tariff fixed by SERC, captive including group captive (excluding third party sale).</p> <p>Scheme will be applicable for the entire 12<sup>th</sup> plan period with a cap of 15000 MW</p>

**Additional Information**

- Wind power producers to register with IREDA.
- IREDA will credit GBI to developer through their designated bank account on a 6-monthly basis.
- GBI over and above the SERC approved tariff.
- Mechanism of Unique Identification (UI) number developed by IREDA will have to be followed by all the power developers to claim GBI.
